

SVR-470

4 Channel DVR with LCD Monitor

- Self-contained front LCD for easy monitoring
- H.264 high performance image compression
- 4 channels & 120fps real-time recording
- 320GB high storage capacity

Unrivalled Performance in a Small Package

The Ideal Recording Solution for Small Businesses

Actual Size

Small shops, retail and convenience stores, pharmacies, and gas stations are often without digital CCTV systems due to the high installation cost and space considerations. The SVR-470 is a Digital Video Recorder (DVR) equipped with a built-in 8.89cm (3.5") LCD screen, reducing the need for an extra monitor which requires more money and space. In addition, H.264 image compression and Centralized Management Software (CMS) provided with this DVR offer a full recording solution for small businesses. Providing stable performance and convenient security options at an affordable cost. The SVR-470 is a perfect digital solution to keep your business safe. Its quality is guaranteed.

High Resolution & High Performance 4 Channel DVR SVR-470

The Small Window Takes You to a

The Built-in LCD Offers Convenient Viewing and Playback

The SVR-470 is a 4 channel DVR with an 3.5" LCD monitor that promotes both space and cost efficiencies. It can also be used as a dual display by connecting an extra monitor.

Excellent Remote Network Transfer

Supporting network monitoring options that are especially necessary for small-sized business, this DVR helps you grasp real-time situations of one or our stores simultaneously at home or from a remote

more of your stores simultaneously at home or from a remote location.

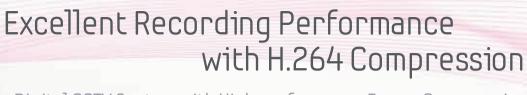

Various Digital Features

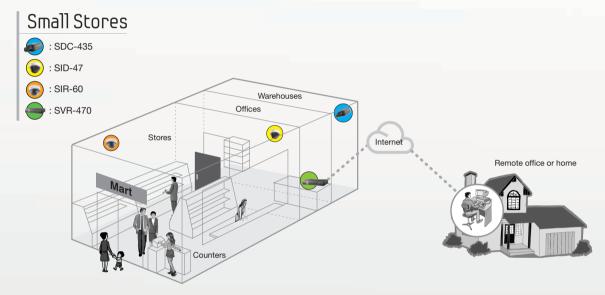

- User Friendly GUI
 - The intuitive GUI enable even beginners in CCTV digital security systems to operate the DVR, search, and record video.
- Front USB for Convenient Back up
 - A USB port is located on the front panel for convenient data back up and storage.
- Remote Controller for Easy Control
 - The intuitive GUI enable even CCTV digital security systems novices to operate the DVR, search, and record video.

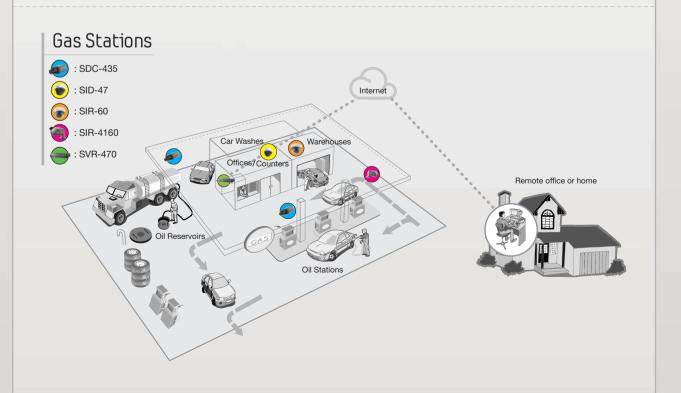

Digital CCTV System with High performance Image Compression for Efficient Business Management SVR-470

Ideal Installation Blueprint

High-traffic commercial areas such as convenience stores, gas stations, and jewelry shops are vulnerable to crime and accidents. When installed at major points of traffic, digital CCTV systems can contribute not only to prevent theft and accidents but also for post-incident management with digital video records. In addition, you can remotely monitor real-time situations in your store over the Internet from anywhere at anytime.

SID-47

High Resolution Day & Night Dome Camera

■ High Resolution

 Achieves 580TV lines high resolution in color with a high sensitivity CCD and proprietary W-IV 4th generation DSP chipset

■ High Sensitivity

Low light levels of 0.15Lux

■ High Performance

- Day & Night
- SSNRII, digital 3D Noise Reduction technology
- Default 3.7mm fixed focal length lens (6mm/8mm compatible)
- HLC/User BLC (Backlight Compensation) & DIS (Digital Image Stabilization) capacities

SDC-435

High Resolution Day & Night Camera

■ High Resolution

 Achieves superior images at 600TVL high resolution with our proprietary W-V 5th generation DSP chipset and image processing technology

■ High Sensitivity

Low light levels of 0.05Lux

■ High Performance

- Day & Night
- SSNRIII, Upgraded 2D/3D Noise Reduction technology
- SSDR (Samsung Super Dynamic Range), DIS (Digital Image Stabilization), and Coaxial control
- 16X Digital Zoom, Motion Detection, Privacy Protection

SIR-60

High Resolution Day & Night IR LED Dome Camera

■ High Resolution

 Achieves 580TV lines high resolution in color with a high-sensitivity CCD and proprietary W-IV 4th generation DSP chipset

■ High Sensitivity

• High performance LED lamp for low light levels of OLux

■ High Performance

- Day & Night (ICR) capacity & 4X brighter high performance IR LED
- SSNRII, digital 3D Noise Reduction technology
- HLC/User BLC (Backlight Compensation), Motion Detection, Privacy Protection
- Default 3.6mm fixed focal length lens

SIR-4160

High Resolution IR LED Camera with Varifocal Lens

■ High Resolution

 $^{\circ}$ Achieves 600TVL high resolution day and night with our proprietary W-V $5^{\mbox{\tiny th}}$ generation DSP chipset

■ High Sensitivity

• High performance LED lamp for low light levels of OLux

■ High Performance

- Day & Night (ICR) capacity & 4X brighter high performance IR LED
- SSNRIII, Upgraded 2D/3D Noise Reduction technology
- Default 3.6X Varifocal Lens (2.8 ~ 10mm) & SSDR (Samsung Super Dynamic Range)
- DIS (Digital Image Stabilization) & Coaxial control
